**RE: VAT DEFERED ACCOUNT**

As per Customs & Excise's rules and regulations, it is of utmost importance, that as from today, 2 January 2015, VAT numbers and details on the invoice MUST BE THE SAME AS THAT OF THE CLIENT AS LISTED AT INLAND REVENUE.

Shortly, this means that the VAT number, the name, and the address of the importer on the invoice, must correspond exactly with the details of the VAT number on Inland Revenue's system.

Failure to comply will result in penalties issued to the importer.

We ask for your immediate co-operation in this regard to avoid any unpleasant events such as very long delays at the border and penalties.

Please do not hesitate to contact us for any assistance.
